MOUNTAIN CAMP

Mountain Campers live high in the foothills of the Alps with breathtaking views of the Rhône valley as well as Mont Blanc; mountain biking and hiking trails right outside their door. These students undertake challenging, exciting, and new experiences. They develop their inter and intra personal awareness, self-efficacy and leadership skills, building on the strong foundations developed in early years of Camp.

Campers are given opportunities to pursue the true understanding and meaning of challenges by experiencing them. They see in their daily lives, while further honing their language and communication skills alongside their remarkable peers.

A TASTE OF SWITZERLAND

One week of exciting cultural activities in the country to discover Switzerland; most of all meeting new friends from different cultures, lifestyle and creating long-lasting friendships!

Chocolate and cheese

Indulge yourself in the chocolate and cheese factories of Gruyeres. Delicious!

A cruise on the lake

Enjoy the coastline of Lake Geneva from Nyon to Montreux. Many picture opportunities!

Montreux Jazz Festival

Experience the world famous jazz festival by a short stroll from St. George's.

Film in a day!

Work as a team to make a short film in a day. Your masterpiece will be shown to other campers the same evening!

STOMP

Play music using your own instruments made from natural materials collected in the forest.

Bern, the Swiss capital

Explore the old historical town of Bern and discover the heritage of today's Switzerland.

Alpine Farm Life

Discover the farming life on the high Alps. You might even get to milk a cow!

Landscape art & photograph

Learn the skills of landscape painting and taking great photographs at chalet Les Sapins (the St. George's field centre).

Swiss Precision

A visit to Nyon to see how Hublot watches are crafted.

Session 3 (July 31 - August 6)
Boarding only
For 12-18 years old

CHF 2'500 (1 WEEK)

LIVING LANGUAGES

With over 30 hours of intense but enjoyable instruction in each two-week session, campers concentrate on mastering two-way conversations, both speaking and listening. Highly trained and experienced teachers oversee this successful and worthwhile all-round camp experience.

Choice of languages: **English, French, German and Mandarin**

As a part of this highly rewarding experience campers are encouraged in fun challenging ways to utilize their English throughout the entire day and evening. This ensures better progress and almost guarantees that children returning home will understand the language better and will have significantly improved their spoken English. Assessment is continuous and an appropriate certificate is awarded at the end of camp and a written report is sent to the parents.

- Improve students' reading, writing, listening and speaking
- Encourage independent thinking and learning
- Develop use of grammar and vocabulary
- Build students' confidence and willingness to contribute to discussions and debates
- Small class sizes- maximum 10 students

ACTIVITIES

DANCE & DRAMA

A course is made up of **performance workshops** in each discipline, introducing the students to the **various techniques and theories**. The course is run by our trained drama and dance teachers.

SPORTS

Learn new sports and improve those you already know and love! Students are encouraged to learn and understand new skills in sports that they have not previously encountered including **sailing, waterskiing and netball**, as well as improving their skills in traditional games of **football, tennis or basketball**.

ARTS & CRAFTS

For our Creative students! Each Camper is motivated to explore a wide range of technical skills whilst encouraging freedom of imagination. Our use of media includes **sketching, painting, jewellery making, sculpture and ceramics**.

EVENING ACTIVITIES

Fun ways to make friends and bring a busy day to an end. The **evening events at St. George's Summer Camp** are vital to creating the **wonderful environment** in which students flourish. The events are fun and fully inclusive, they focus on **practising the English or French** that they have learnt during the day.
