St. George's International School has a House system, the purpose of which is to provide pastoral care, to promote social development and to provide a framework for competition within the school. When a new student joins the school, he or she is assigned to one of the four pastoral Houses.

Every student has a tutor who supports pastoral care and monitors academic progress. The tutor reports directly to the relevant Year Group Academic Coordinator.

There are four Houses in St. George's which are named after four goddesses from Greek and Roman mythology: Atalanta (Red), Diana (Yellow), Minerva (Blue) and Vesta (Green).

Tutors meet with their tutees every day and are available as the first point of contact for parents wishing to discuss matters relating to their child.

The Senior students in each House are given the opportunity to organise and lead the House. Two House Captains are supported by two Sports' Captains. All of the students in year 12 are encouraged to take a part in the organisation of the House Play.

In the Junior department, the Heads of Houses are supported by tutors. A House Captain and two Vice Captains are chosen from amongst the older students by the staff to represent each House on a yearly basis.

House points are awarded in the Junior department for a variety of reasons, exceptional work, improvement, trying, kindness, helpfulness, etc. Each House Point is coloured in on the child's House Point Sheet and when 15 have been reached the child receives a 'Dragon'. Every month there is an ongoing competition to see which House has won the Dragon Cup.

- Depending on the individual's needs, students in **Levels 2 or 3** may also be enrolled in Curricular Support (Level 1 or ELAP Level 4) and will be charged accordingly.

- All new students receive a Settling-in Report after week three. In the Senior School, the report includes information from core subject areas, Tutor, Academic Year Group Coordinator, Head of House, Boarding Parents. **This report is the official communication from the school to invite parents to discuss their child's programme of study and plan, if necessary, any additional support required.** In some rare cases, the school will decide that it cannot cater for the specific needs of a child.

■ PAYMENT OF FEES

All fees are payable in advance against the invoice on or before the due date. “Extra Expenses” are billed at the end of each term. All invoices must be paid in full, without deduction.

It is possible to request monthly or annual billing for returning students. Unless we receive written notification, the billing option will be automatically selected as per previous year. A surcharge applies for every invoice modification requested by parents, at a later date.

Payments can be made by wire-transfer, online or credit card. A 4% charge will be included on credit card payments.

Any claim on invoices must be made in writing within 15 working days of receipt. In case of late enrolment, fees are due upon receipt of the invoice. All other invoices should be settled within 30 days.

No refund of fees can be claimed on account of absence through illness or any other circumstances not attributable to the school.

TERMLY BILLING

This will be applied if no other indication is given to the school. The annual fees are split into three amounts, in approximate proportion to the length of each term.

- Term 1 = 40% (15 weeks)

The parents undertake to pay an annual default interest of 10% for any late payment, as well as a fee for issuing reminders (CHF 50.- for the second reminder, CHF 100.- for additional reminders).

In the eventuality that a family has more than one child enrolled at St. George's International School, the terms listed above will be applied to all children.

St. George's International School has the right to request a direct debit option for all further payments and the parents or guardians agree to instruct their bank accordingly.

Expenses incurred by St. George's International School in the collection process will be charged to the parents.

■ WITHDRAWAL

■ ADMISSIONS REGULATIONS

Our aim is to place students in the correct year group/ programme according to age, previous academic history and future expectations.

St. George's International School has an open and selective admissions policy from Pre-Foundation Stage to Year 13, as far as it is possible to meet the needs of individuals. Prospective students who have English as a Foreign Language, Special Educational Needs or have had behavioural issues in the past will also be considered on a case-by-case basis.

Pupils who are accepted may have to sit a series of placement tests in order to determine a correct placement. For admission into years 6 through 13, students will be invited to sit an Online English Placement Test and a Cognitive Ability Test (CAT). This is to establish their level of written and spoken English and their academic ability.

Parents or guardians of prospective students must certify that, at the time of admission, all information pertinent to the application has been disclosed. Any omission of information relevant to the student's admission (e.g. disciplinary action, exclusion and suspension, a requirement for Special Educational Support, and a medical condition) may result in cancellation of the acceptance to or dismissal from the school.

■ ADMISSIONS PROCEDURE

St. George's International School admissions procedure is open throughout the whole academic year (rolling admissions). Prospective families are invited to apply at any given time.

The academic year at St. George's International School runs from August to June. Parents or guardians should follow our step-by-step procedure outlined below in order to register their children at St. George's International School:

**Step
1**

Arrange a visit/ interview (optional) and fill out our [online application](https://www.stgeorges.ch/index.php/admissions/apply-online) <https://www.stgeorges.ch/index.php/admissions/apply-online>

**Step
2**

Placement of students is according to age, availability, academic records and assessment/ placement test.

**Step
3**

As English is the language of instruction, it is essential that the teachers of non-native English speakers fill out the language section on the Teacher Recommendation Form.

**Step
4**

Having considered all information submitted in steps 1-3, the Admissions Committee makes a final decision on admission. If a student is accepted the Admissions Committee determines the class of entry and the programme to be followed.

Once a place has been offered by the School and the parents have accepted, there is a 10 working-day deadline for payment of the Entrance Fee and return of a signed copy of the "Statement of Intent to Register" to the admissions department. Once this deadline expires, the place will be cancelled.
