St. George's International School has a House system, the purpose of which is to provide pastoral care, to promote social development and to provide a framework for competition within the school. When a new student joins the school, he or she is assigned to one of the four pastoral Houses.

Every student has a tutor who supports pastoral care and monitors academic progress. The tutor reports directly to the relevant Year Group Academic Coordinator.

There are four Houses in St. George's which are named after four goddesses from Greek and Roman mythology: Atalanta (Red), Diana (Yellow), Minerva (Blue) and Vesta (Green).

**Tutors meet with their tutees every day** and are available as the first point of contact for parents wishing to discuss matters relating to their child.

The Senior students in each House are given the opportunity to organise and lead the House. Two House Captains are supported by two Sports' Captains. All of the students in year 12 are encouraged to take a part in the organisation of the House Play.

In the Junior department, the Heads of Houses are supported by tutors. A House Captain and two Vice Captains are chosen from amongst the older students by the staff to represent each House on a yearly basis.

House points are awarded in the Junior department for a variety of reasons, exceptional work, improvement, trying, kindness, helpfulness etc. Each House Point is coloured in on the child's House Point Sheet and when 15 have been reached the child receives a 'Dragon'. Every month there is an ongoing competition to see which House has won the Dragon Cup.

## ■ LEARNING CENTRE

Supporting any pupil in need of a short or long term intervention:

- Students who show particular strengths and talents
- English Language Acquisition Programme (ELAP) and Integration Support for students who do not yet have the language tools to access the academic curriculum
- Students with study needs who would benefit from some regular tutoring during school day or after school
- Students who need additional curricular support
- Students who need support as a result of absence due to sporting commitments
- Students with reduced timetable and/or studying IB self-taught courses
- Students with Special Educational Needs (SEN)

Learning Centre support levels are established each year but they are subject to modification depending on the student's progress recorded in mid-term and end-of-term school reports. Students in Level 2 or above have a personalised Individual Educational Plan (IEP) with targets to monitor progress. These are reviewed every term.

## LEARNING CENTRE AND ADMISSIONS POLICY

- Parents follow the Admissions procedure and are requested to provide as much information as possible to the school. The school collates all of the information from reports and Teacher Recommendation Forms when relevant and further assessment (years 10 to 13) will take place as stated in the Admissions Policy.
- The School advises on the best programme of study for the applicant. If necessary, when additional support is required, the school indicates the level of support needed and any extra fees.
- Depending on the individual's needs, students in Levels 2 or 3 may also be enrolled in Curricular Support (Level 1 or ELAP Level 4) and will be charged accordingly.
- Parents understand that, in some cases, the student's needs are identified after assessment conducted by curriculum areas upon arrival, or after a period of time at St. George's International School.
- All new students receive a Settling-in Report after week three. In the Senior School, the report includes information from core subject areas, Tutor, Academic Year Group Coordinator, Head of House, Boarding Parents. **This report is the official communication from the school to invite parents to discuss their child's programme of study and plan, if necessary, any additional support required.** In some rare cases, the school will decide that it cannot cater for the specific needs of a child.

In the eventuality that a family has more than one child enrolled at St. George's International School, the terms listed above will be applied to all children.

## ■ ADMISSIONS REGULATIONS

Our aim is to place students in the correct year group/ programme according to age, previous academic history and future expectations.

St. George's International School has an open and selective admissions policy from Pre-Foundation Stage to Year 13, as far as it is possible to meet the needs of individuals. Prospective students who have English as a Foreign Language, Special Educational Needs or have had behavioural issues in the past will also be considered on a case-by-case basis.

Pupils who are accepted may have to sit a series of placement tests in order to determine a correct placement. For admission into years 6 through 13, students will be invited to sit an Online English Placement Test and a Cognitive Ability Test (CAT). This is to establish their level of written and spoken English and their academic ability.

Parents or guardians of prospective students must certify that, at the time of admission, all information pertinent to the application has been disclosed. Any omission of information relevant to the student's admission (e.g. disciplinary action, exclusion and suspension, a requirement for Special Educational Support, and a medical condition) may result in cancellation of the acceptance to or dismissal from the school.

## ■ ADMISSIONS PROCEDURE

St. George's International School admissions procedure is open throughout the whole academic year (rolling admissions). Prospective families are invited to apply at any given time. The academic year at St. George's International School runs from August to June. Parents or guardians should follow our step-by-step procedure outlined below in order to register their children at St. George's International School:

### Step 1

#### Registration

To register, simply complete the application form online, making sure you have all the documents listed on hand. If you are applying for boarding, you will need to pay the entrance fee along with your application.

Required documents:

- Copy of ID or passport
- Copy of Residence Permit- for non-Swiss Nationals
- 2 last years of academic records in English, if you are seeking admissions for a child in Year 1 or higher
- Immunisation records
- Passport photograph

Please ensure you also complete the Medical Information Form when you apply. Finally, you will need to request that the academic dean or head teacher of your child's current school completes the Academic Recommendation Form.

### Step 2

#### Assessment and school visit

After the application is completed, we invite each prospective student to meet with the principal and the admissions team for a visit. During the visit, the student and his or her family will have the opportunity to ask questions and learn more about St. George's International School. The student will also sit the English Placement Test and Cognitive Ability Test (CAT) during this visit.

On occasions, we understand that is not possible for a child relocating from abroad to meet in person with school leadership. In these circumstances, a Skype interview can be held and the child may sit the tests online.

### Step 3

#### Final decision

The admissions committee reviews all applications once they are completed and a decision is made. When your child is offered a place at St. George's International School, you will receive an acceptance letter, a form of intent and an invoice for the entrance fees.

If you have any questions before you submit the application, please get in touch.
